

ASF Goes Back to School: Our Second Annual Back Issue Giveaway

Last year, we shipped over 150 free back issues of *American Short Fiction* to colleges and universities including Rowan University, the University of Iowa, the University of Wisconsin, Towson University, Missouri State University, and the University of Minnesota-Twin Cities. If you're a creative writing instructor who's teaching a workshop at a U.S. college or university this fall, we'd be happy to send you a box of back issues to use in your classroom. These could be a teaching tool, or a little bonus for your hard working creative writing students. The choice is yours! Supplies are limited, though, and once these back issues are gone, they're gone. Take a peek at the rules and guidelines, and drop us a note if you'd like to give your students the gift of short fiction this fall.
